

**Terms and Conditions
of Self Storage Locker Use
at Hradec Králové Public Transport Terminal Building (TTB)
operated by the Hradec Králové City Public Transport Company (DPmHK)**

Art. 1

Self Storage Lockers, installed on the premises operated by DPmHK ("the Keeper") at Hradec Králové TTB, are designed for short-term storage of baggage and personal items of individual travellers ("the Storers").

The maximum storage time is three (3) days.

Art. 2

It is forbidden to store the following items in self storage lockers:

- Dangerous, flammable and combustible substances, explosives, firearms, cutting and stabbing weapons, alcohol, bank notes, securities, precious metals products, personal and other important documents
- Insanitary goods, primarily soiled clothes and items of clothing
- Foods subject to rapid spoilage, frozen food and similar products
- Animals
- Audio-visual devices, mobile phones and other electronic devices

Art. 3

Self Storage Lockers are not designed for permanent storage of movables. Therefore, all movables left in lockers after expiration of the maximum storage time will be removed by the Keeper at their expense and destroyed without the Storer's right to compensation. The removal will take place 30 days after the date of expiration of the maximum storage time.

Art. 4

DPmHK, in the role of the Keeper, is not reliable for damages incurred by the Storer as a result of breach of the Self Storage Locker Terms and Conditions of Use.

Art. 5

By using a Self Storage Locker, the Storer hereto agrees with the Self Storage Locker Terms and Conditions of Use.

Art. 6

Baggage and personal items are placed in and removed from Self Storage Lockers by the Storers.
